

# Cricket pitch and pavilion - Questionnaire

The development on land east of Horndean will bring new amenities that will benefit Horndean residents as well those in nearby Clanfield and Rowlands Castle. It will provide modern homes, affordable housing and community facilities.

As part of the first phase of development, a care village with cricket pitch and pavilion will be built. The pavilion will be multi-use, with changing rooms, showers, kitchen and a club room. The cricket pitch could also be used for different activities - rounders, stoolball or bowls, plus occasional village fetes, shows and other similar community activities.

We are looking for your views on how this great new facility would be used by the community.

Please tell us which activities would interest you
